"TOO BIG" – That's the impression of a Belgian couple visiting at the William Wery home on R2, Luxemburg. Their homeland is only about half the size of Wisconsin.

Mr. and Mrs. Henri Annoye, among the five visitors whose home is in the Belgian province of Namur, are cousins of Mrs. Wery and her sister, Mrs. Louis Vandergeeten, Green Bay, who visited Belgium two years ago.

The other visitors, who will be leaving for home Friday after three weeks in this country, are Bernadette Laurent and Mr. and Mrs. Paul Laurent.

Mr. Annoye is a police executive and Mr. Laurent a water engineer.
